Faith Based Support Group Leaders Certificate Online Training  
For church leaders, lay people, and professionals.

9 CEUs for Licensed Counselors, Social Workers, ICDVP, PAIP

***As a lay person or professional, are you interested in starting a faith based support group for women who experience domestic violence and abusive relationships?***

FOCUS Ministries offers a certificate program for support group leaders in our Partners in the Journey Training. The training covers all the aspects of starting a support group, domestic violence training, how to help a victim, and information on how to provide spiritual direction for victims of abuse.

Our training goes beyond the seminars. Our FOCUS support group leaders become members of an established organization that has proven itself since 1995. FOCUS offers confidential one-on-one leader consultation regarding areas of concern and problematic issues, prayer support, spiritual direction and advertisement.

## COURSE DESCRIPTION:
